

**Limited-time savings on  
PGP® Whole Disk Encryption  
+  
PGP® Universal Server**

**\$11.50 per license | Offer expires August 19, 2008**

DIR announces the successful negotiation with **SHI Government Solutions** and **PGP Corporation** to provide state and local government and public education entities with additional reductions on PGP encryption software. This offer, available through **August 19, 2008**, offers **PGP Whole Disk Encryption** combined with **PGP Universal Server** at **\$11.50 per license**.

- Package includes **PGP Whole Disk Encryption 9.8 for Windows** with basic maintenance and **PGP Universal Server 2.8** with basic maintenance.
  - **PGP Whole Disk Encryption** provides comprehensive, non-stop disk encryption, enabling quick, cost-efficient protection for data on PCs, laptops and removable media. Encrypted data is continuously safeguarded from unauthorized access, providing strong security for intellectual property and customer and partner data.
  - **PGP Universal Server** features centrally enforced security policies, event logging, and recovery pass phrase.
- **Both items** (PGP Whole Disk Encryption 9.8 and PGP Universal Server 2.8) must be purchased to qualify for price reduction.
  - This offer is available only through DIR's Go DIRect contract with SHI (Search "PGP Corp" from the **DIR Store** to access the SHI Go DIRect contract page online).
  - **NOTE:** You must include the SHI **Go DIRect contract number, "DIR-SDD-294,"** on your purchase order to receive DIR pricing.
  - This contract has been competitively bid and meets all state procurement requirements.
  - Neither quantity limits on purchases nor minimum purchase requirements exist on this offer.
  - For more information, contact SHI Government Solutions at 1-800-870-6079 or your SHI representative.
